Tidbits

Summer, July...my how time flies. Regionals has come and gone, now we focus on Nationals, the club picnic, and enjoying the summer. With everything going on, sometimes your schedule can get very chaotic. Remember to drink lots of water when it's hot and you're outside, use sun screen, and it's ok to take a break from all that's going on and take some time for you. Have a safe and happy 4th of July, keep practicing, be safe, and have a wonderful and enjoyable summer.

Bryan

If you wonder where your child left his roller skates, try walking around the house in the dark. ~Leopold Fechtner

How is it that one match can start a forest fire, but it takes a whole box of matches to start a campfire? ~Christy Whitehead

Tell a man there are 300 billion stars in the universe and he'll believe you. Tell him a bench has wet paint on it and he'll have to touch it to be sure. ~Murphy's Law

Never do anything that you wouldn't want to explain to the paramedics. ~Author Unknown

(if you have a quote you would like to share, please let me know! Thanks Bryan)

Congratulations!

To all those who skated in the North Central Regional Competition!
