## Tidbits

Greetings. Hope everyone had a wonderful Christmas, or Hanukkah, or Happy Holiday.....

Winter continues to be a no-show. It appears that winter when it does arrive, we be short....but we really do need the moisture it brings. We have 13 slatewers going to Aurora!!! It will be an excellent turn out for Roller Garden. We will be doing a book sale fund raiser this March, right after Donora. More info. will be passed along soon. So please start gathering paperbacks, hardcovers, cd's and dvd's to donate to the sale. All proceeds will go to the club and the Nationals Skaters Fund for our RGASC skaters.

Hope you all have a safe and Happy New Year!!!

Keep practicing, keep smiling, and keep rolling.

Bryan

Two old friends are talking, and one says to the other. "Did you know that the second thing to go is your memory." His friend asks, "What's the first?" "I forgot."

One day his friend said, "I think I was built upside down!" Why do you think that? "My nose runs and my feet smell"

**Marty M. will be handling practice Monies for Diane after 1/24/12 .**

John Peck - not coming up in January, Trying to set up for Feb. 6th & 7<sup>th</sup>  
We will update you as plans are firmed up.

The Christmas/Holiday Party was well attended...had about 50 or so. Good food and good times. We also brought in 2 bags of cans and a bag of rice for the food donation. Thanks to all that donated. The Gift Exchange Game was fun to watch and I think those participated had a good time too.

### Skating Etiquette

Please try not to create any trip hazards around your mushroom or table where you have your skate case open. Tripping over a shoe or skate could put someone out of commission for some time.

Also, be nice to the employees and the customers and skaters at the rink. They

- Roy Rogers had just purchased a new set of boots. Going out one day to check on Trigger, Roy stepped in a pile of ... well suffice it to say that Dale told him to leave his boots outside on the porch until he could clean them up. Roy did so and went inside for dinner. In the meantime a cougar wandering around on the property spied the boots, grabbed them up in his mouth and headed for the wilderness. Roy, seeing his new boots heading for the hills, pulled on a pair of old boots, ran out and saddled up Trigger and headed for the hills to cut off the escape path of the cougar. Several hours later Roy returned, new boots in hand and the cougar stretched over the back of Trigger. Dale looking at the scene in front of her said "Pardon me Roy is that the cat who chewed your new shoes?"
